Sleepy Oaks is a beautiful spot in Morgan County that has been developed into 6 lots by Terra Land - 5 are waterfront - ALL have been perced and are ready for homes. Mature woods, a community park with pond and atrium, the South fork of Sleepy Creek winding through the entire piece make this a special place. You feel it when you pull in - its like an oasis. If you are looking for a beautiful spot to build, do not miss Sleepy Oaks. Call Paul Klaasse at 304-261-1440 for more info. Virtual Tour at www.KlassyHomes.com
